SINGLE MALE POLICY

Due to the nature of our business, and the noticeable difference in the number of single men verses couples or single women, management has limited the number of single male visitors to five per day. To ensure your being able to visit Deer Park on a particular day, you need to call and make a reservation. Your name will be placed on a list as being able to attend on the day you choose, as long as there are not already five single men signed up. Also, you will be required to wear a wrist band during your stay. The band will include your name, date of your visit, and be initialed by the office staff. There will be no exceptions to this policy.

Management is sorry for any inconvenience this may cause, but we feel it is in the best interest of all our members and guests to enforce this policy.

Thank you in advance for your cooperation in this matter, and we look forward to your visit(s).
